**REMARKS**

Claims 1-15 remain in the application, the specification and claims having been amended.

In response to the election of species requirement, applicants elect Figure 2 for examination, on which claims 1, 2, 5-7, and 10-15 are readable.

An amended Figure 1 is submitted herewith.

Applicants submit that if any of the elected claims are found to be allowable, claims dependent therefrom should similarly be considered allowable in the same application.

Applicants reserve the right to file a Divisional Application directed to non-elected claims 3, 4, 8-9.

In view of the above, reconsideration and allowance of this application are now believed to be in order, and such actions are hereby solicited. If any points remain in issue which the Examiner feels may be best resolved through a personal or telephone interview, the Examiner is kindly requested to contact the undersigned at the telephone number listed below.
